

Applicants have amended Claim 1 pursuant to the Examiner's suggestions in a good faith effort to eliminate language from Claim 1 which is does not accurately claim the invention.

Applicants respectfully submit that the amendments to Claim 1 and 57 defining certain elements with greater specificity, and the cancellation of Claim 22 and other amendments to the claims dependent thereon serve to remove the rejections cited by the Examiner pursuant to 35 U.S.C. §112, second paragraph.

In view of the arguments and modifications to the claims, allowance of this case is warranted. If the Examiner wishes to discuss via telephone the substance of any of the proposed claim changes contained herein with the intent of putting them into an allowable form, Applicants' attorney will be glad to speak with him at a mutually agreeable time and will cooperate in any way possible.

Respectfully submitted,
